

Welcome to Trinity

Trinity in Alkimos is a master-planned coastal community located in one of Australia's fastest growing areas. Both Alkimos and nearby Butler already have plenty of shopping, commercial and entertainment options, and it's only going to get better with Alkimos set to grow into a bustling district centre.

Trinity is just 15 minutes from Joondalup and Mindarie Marina, and only moments from the beach. You can get to Trinity through Santorini Promenade, off Marmion Avenue. Just head to the coast!
